

IDRISI KAIF

Frontend Developer

Bhiwandi, India | idrisikaif8898@gmail.com | 8605486515 | github.com/idrisikaif | linkedin.com/in/i-kaif-7bb9963a3

PROFESSIONAL SUMMARY

Passionate Frontend Developer skilled in building responsive and user-friendly web applications using React.js, JavaScript, and modern CSS frameworks. Enthusiastic fresher with hands-on project experience eager to turn ideas into clean, functional interfaces and grow in the field of web development.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3 **Frontend:** React.js, Redux, Bootstrap, Tailwind CSS, Vite **Tools:** Git, GitHub, VS Code

PROJECTS

PhoneWorld — E-Commerce React App

May 2024 – 2026

React.js · Bootstrap · Tailwind CSS · JavaScript

- Built a product listing platform for mobiles, accessories, and chargers using React.js with reusable component architecture.
- Implemented fully responsive UI using Bootstrap and Tailwind CSS ensuring cross-device compatibility.
- Live: [phone-world-weld.vercel.app](#) | GitHub: [github.com/idrisikaif/PhoneWorld](#)

Media Search — Photos, Videos & GIFs App

2024 – 2026

React.js · REST APIs · Tailwind CSS · JavaScript

- Built a real-time media search app that fetches photos, videos, and GIFs using Unsplash, Pexels, and Giphy APIs.
- Implemented Redux for state management and clean responsive UI with Tailwind CSS.
- Live: [media-search-beige.vercel.app](#) | GitHub: [github.com/idrisikaif/Media-search](#)
